After an eight year absence from the hire boat industry, Broom Boats have returned; bringing over 110 years of experience and a reputation as one of the finest builders of luxury boats around - balancing innovation and tradition to ensure our customers enjoy all that the Broads have to offer. Situated at Brundall you are ideally placed to explore the city of Norwich or visit the other many small towns and villages on the southern broads. For holidays of one week or longer durations, explore further afield and take in the northern broads.
